

2018-2019 BOOSTERS MEMBERSHIP

The Lake Park Theatre Boosters were founded in October 2015 to provide assistance, resources and financial support to the theatre program. We work with the theatre faculty and administration to improve and enhance the theatre experience at Lake Park to benefit the faculty, casts and crew and make the Lake Park theatre experience the best it can be for our audiences.

The generosity and support of our boosters, theatres families and patrons have made the following Theatre Department “wish list” items a reality this past year:

- Our actors will have a newly remodeled Make-Up Room by the fall of 2017
- The Wardrobe Department will have new portable wardrobe cabinets for additional storage

Upgrades to the department’s microphone system and portable lighting board are just few of the items being considered for the 2018-2019 school year and we look forward to working with the Theatre department and administration on these and/or other fundraising priorities.

Join us! We are excited to continue Lake Park Theatre Boosters membership program for the 2018-2019 school year.
